OUR TARGET GROUP

GFF – THE PRACTICE MAGAZINE FOR GLASS WINDOWS FACADES

OUR READERS

Main audience

Glaziers, window and door manufacturers, assembly companies, carpenters, facade- and metalworkers, specialized trade, schools and associations

More readers

Planners and architects, manufacturers

POWERFUL NETWORK – POWERFUL PARTNERS

GFF is the official organ of the following associations:

Fachverband Glas Fenster Fassade Baden-Württemberg
www.gff-fachverband.de

Glaser-Innung Niedersachen
www.glaser-niedersachsen.de

Landesinnungsverband des Glaserhandwerks Thüringen
www.khs-mittelthueringen.de

OUR CHANNELS

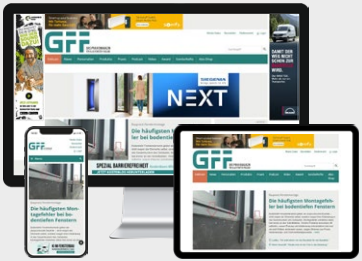

PRINT

GFF – THE PRACTICE MAGAZINE FOR PRODUCTION AND ASSEMBLY

For 30 years now, **GFF** has been one of Germany's leading trade magazines for the core target groups of glass, windows, facades, and metal. It is published with 11 issues per year (double issue 7-8/July-August) and is the official organ of the Fachverband Glas Fenster Fassade Baden-Württemberg, the Glaser-Innung Niedersachsen and the Landesinnungsverband des Glaserhandwerks Thüringen.

Our special publications design+building for the premium target group architects as well as glas kompakt | beschattung kompakt as an industry reference book provides manufacturers and service providers a tailor-made environment for a targeted, long-term and thus a sustainable presence.

DIGITAL

WEBSITE GFF-MAGAZIN.DE

gff-magazin.de is an online portal for opinion leaders, decision-makers and professionals in the industry. It complements our information offering on a daily basis and offers IVW-tested quality range for banner and native formats.

NEWSLETTER GFF REPORT

GFF Report currently reaches nearly 5,200 subscribers from the core target groups on a weekly basis, usually on Wednesdays. Special editions are published for trade fairs and four times a year on specific topics. Standalone newsletters are also sent out.

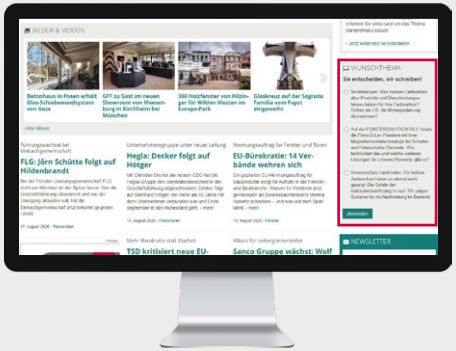

CONGRESS/AWARD

FENSTERBAUER DES JAHRES

Every two years we honour with this award the FENSTEBRAUER DES JAHRES as the main prize winner and also particularly innovative companies in the categories product development/manufacturing as well as sustainability and energy efficiency. The next award ceremony will take place in 2028.

FENSTERBAUER
DES JAHRES

READERS' PREFERRED TOPIC

OUR READERS DECIDE – WE REPORT

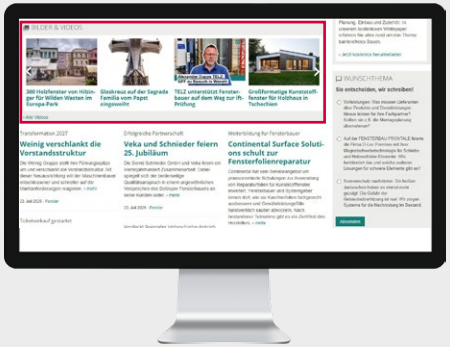

ACTIVE INVOLVEMENT OF OUR READERS IN THE GFF REPORTING

Practice-oriented communication to the market is the key business of our editorial team. Readers´ preferred topic is an instrument that enjoys exclusive status in the industry and has been established for years with good participation.

Every month we offer a choice of three topics on our website **gff-magazin.de.** Our readers can vote on them by click voting. The topic with the most votes is subsequently taken up editorially in the **GFF** print edition, supplemented by a pro/contra from well-known experts.

With the readers´ preferred topic we actively involve our readers in the reporting and deal with exactly those topics which the branch is interested by.
There's no more bond possible between the readers and the magazine!

ATTENTION:
CAMERA IS ON

VIDEO PRODUCTION

THE BRANCH IN MOVING PICTURES

In times of digitalisation, the production of videos has been an integral part of the **GFF** brand wreath for years.

Whether interviews with important players in the industry, trade fair talks, product presentations, on-site reports, image or event videos: We provide our readers with virtual top information all around the branch.

Find about your options on pages 38/39!

Example.

PRINT.

GFF AT A GLANCE

JOURNALISTICALLY HIGH-QUALITY CONTENT FROM THE PRACTICE FOR THE PRACTICE

EDITION

Real circulation (IVW-verified):

8,120 copies
(Annual average 1 July 2025 to 30 June 2026)

FREQUENCY OF PUBLICATION

11 issues per year
(Monthly, double number 7-8/July-August)

IVW AUDIT

GFF is subject to the IVW audit every year. This verifies whether the circulations reported by us have been sent correctly. After a successful check the figures may be published and the IVW logo may be used as a quality label.

This means for your media activities: Valid reporting of print and actually distributed circulation and thus planning reliability!

Information about IVW.

WHAT WE CARE ABOUT

OUR CREDO: QUALITY JOURNALISM

- Thanks to an enormously high proportion of research carried out by our editorial team, our readers receive high-quality and practice-oriented content for the daily work.
- In addition to the research and specialist articles, our practice sections such as the Praxistipp (step-by-step instructions in the assembly section) or the readers´ preferred topic are top information sources.
- **GFF** uses all the styles of a modern trade magazine and offers as an opinion platform orientation and utility.
- **GFF** reports from the industry for the industry, sets topics and questiones and discusses current developments.

OUR CONTENT

- Magazine sections: Personal details – News – Current events – Technical advice – Cover story – Glass – Glass art – Windows – Façades – Metal – Business – References – Innovations – Literature – Categories
- Topics: Industry news, market conditions, novelties, products, innovations, standards, dates
- Our forms: Object and user reports, specialist articles, interviews, trade fair reports, product and service pages, practice sections, surveys, market reports and much more

Issue	Dates	Main topics	Topics/Categories	Trade fairs/Exhibitions
1 **January** **BAU**	**PD: 07/01/2027** **APD: 04/12/2026** **ED: 27/11/2026**	**Trade Show Edition: BAU Munich** The trade show covers a wide range of topics. We'll highlight what exhibitors are showcasing in the areas of glass, windows, and facades. **Ventilation: A Healthy Indoor Climate** During the pandemic, air quality and indoor climate were top priorities in both private and public buildings. What is the situation today? What product innovations are available on the market, and what is the status of preventive measures?	**Category innovations:*** Window ventilators, tools, safety technology, recycling, films **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**BAU** Munich, 11 to 15 January 2027
2 **February**	**PD: 16/02/2027** **APD: 22/01/2027** **ED: 15/01/2027**	**Barrier-free/wheelchair-accessible construction: Services and features** Whether it's a walker, wheelchair, or stroller: barrier-free floor plans, sufficiently wide circulation areas, and threshold-free entrances create living spaces that can adapt to changing life circumstances. In office and commercial properties, as well as in the hotel and restaurant industries, the goal is also to enable equal participation. We'll show you what's available on the market and what to keep in mind during installation.	**Category innovations:*** Fittings, adhesives and sealants, adhesive tapes, joining technology, surface coating **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**R+T** Stuttgart, 15 to 19 February 2027
3 **March** **BAU**	**PD: 16/03/2027** **APD: 19/02/2027** **ED: 12/02/2027**	**Trade Show Review: BAU Munich** We look back at the industry trade show held earlier this year in the Bavarian capital. What were the main focuses of the exhibitors' new products, and what highlights were on display? How many visitors came to Munich? We explore these and other questions in our review of BAU. **Window and Door Fittings: Technology, Aesthetics, Color** The mechanics of a window or door ensure its proper functioning. We showcase the latest innovations and advancements from selected manufacturers, as well as the state-of-the-art in the integration of building technology.	**Category innovations:*** Window profiles, lifting and sliding doors, software/IT **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**IHM** Munich, 10 to 14 March 2027

***The category innovations is not thematic focal point. Only products can be presented here!**

Issue	Dates	Main topics	Topics/Categories	Trade fairs/Exhibitions
4 **April** 30 JAHRE	**PD: 16/04/2027** **APD: 19/03/2027** **ED: 12/03/2027**	**Anniversary Issue: 30 Years of GFF** Three decades as a trade publication for glass, windows, facades, and metal: We show what defines modern industry information today and the benefits GFF offers in print, online, and on social media. **Building Envelope:** **Energy-Efficient Renovation and Summer Heat Protection** Energy efficiency and summer heat protection must go hand in hand to ensure that the renovated property is ready for the future. What factors are key to ensuring that construction measures fully exploit the building's existing potential?	**Category innovations:*** Ventilation systems, fastening technology, Photovoltaic/solar, sun protection, glass **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	
5 **May**	**PD: 13/05/2027** **APD: 16/04/2027** **ED: 09/04/2027**	**Wood/Wood-Aluminum Windows: Ecology + Living Comfort** Driven by the debate over the consequences of climate change and sustainability in construction, architects, planners, project developers, and end customers are once again turning to wood as a natural material. In our cover story, we examine this trend and explore what it takes to manufacture not only sashes and frames but also modern finishes, as well as how these products meet requirements such as enhanced security and fire protection. We also showcase new products from LIGNA. **Market Report: Machinery and Tools for Window Manufacturing** We highlight the offerings of selected machinery manufacturers and provide a brief overview of the key features of their equipment.	**Category innovations:*** Window profiles, spacers, fittings, roller shutter boxes **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**LIGNA** Hanover, 10 to 14 May 2027
6 **June**	**PD: 11/06/2027** **APD: 14/05/2027** **ED: 07/05/2027**	**Installation Requirements for New and Existing Buildings: Construction Chemicals, Fasteners, and More** Just like profiles, glazing, and mechanical components, building connections are essential for the smooth operation of a window or door: In our cover story, we highlight the new solutions suppliers have in their product lines. **Market Report: Outdoor Living** We provide our readers with an overview of products from numerous manufacturers of patio and louvered roofs, awnings, and outdoor living accessories.	**Category innovations:*** Winter garden, passive house systems,window and facade solutions **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**GPD Glass Performance Days** Darmstadt, 8 to 10 June 2027 **Ift-Brandschutzforum** Rosenheim, 9 to 10 June 2027

***The category innovations is not thematic focal point. Only products can be presented here!**

Issue	Dates	Main topics	Topics/Categories	Trade fairs/Exhibitions
7/8 **July/August**	**PD: 06/07/2027** **APD: 11/06/2027** **ED: 04/06/2027**	**Construction Site Logistics: Process Planning and Cost Optimization** Whether transported by lift truck or by hand, the "last mile" of getting new building components to their installation site always requires careful consideration. We examine the construction site logistics value chain to determine how to best coordinate all intermediate steps so that process planning and cost optimization go hand in hand. **Market Report: Vacuum Lifting Devices + Installation Aids, IT/ Software, Storage, Tracking and Transport Systems for Glass and Windows** In this market report, we highlight the wide variety of products available in these areas.	**Category innovations:*** Utility vehicles/vehicle bodies/vehicle interiors, cranes **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	
9 **September**	**PD: 07/09/2027** **APD: 13/08/2027** **ED: 06/08/2027**	**Windows and Doors 2035: Trends and Developments** In our cover story, we look ahead to explore what will define building components in the future and how they will differ from today's standard solutions. To that end, we speak with developers in the industry as well as experts in science and research.	**Category innovations:*** Windows, doors, locking and opening solutions, home automation, security technology **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	
glas kompakt beschattung kompakt	**PD: 21/09/2027** **APD: 30/07/2027**	**The reference guide for the entire industry – innovative companies introduce themselves!**	**Further information on page 18**	**Magazine displays at heimtextil 2028+2029, FENSTERBAU FRONTALE 2028, glasstec 2028 and BAU 2029.** (Further displays possible)
10 **October**	**PD: 05/10/2027** **APD: 10/09/2027** **ED: 03/09/2027**	**Security Technology: Fire and Burglary Protection** Enhanced security provides a safety margin and resilience against attempted break-ins and fires. In our cover story, we explain what makes a solution certified, which standards are relevant, and what needs to be considered when installing such systems in new construction and renovation projects.	**Category innovations:*** Glass art, spacers, glass tools, scanners and measuring equipment **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**Rosenheimer Fenstertage** Rosenheim, October 2027

***The category innovations is not thematic focal point. Only products can be presented here!**

Issue	Dates	Main topics	Topics/Categories	Trade fairs/Exhibitions
11 **November**	**PD: 10/11/2027** **APD: 15/10/2027** **ED: 08/10/2027**	**Trade Show Edition: VITRUM** We look ahead to the industry trade show in Milan, which is traditionally a home game for Italian manufacturers. However, exhibitors from the rest of Europe are also well represented. We present selected trade show innovations and new developments in detail. **Glass Processing: Machinery, Software, Scanners, Furnaces** The production and finishing of flat glass require high-performance machinery: A new production line isn't always necessary—manufacturers have also developed retrofit packages to upgrade existing equipment. We'll highlight some of these packages and ask the manufacturers how long the equipment must be shut down during the retrofits.	**Category innovations:*** Sealants and adhesives, special windows, fittings, connection assembly, window construction machines **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	**VITRUM** Milan, 16 to 19 November 2027 **MADE EXPO** Milan, 17 to 19 November 2027
12 **December**	**PD: 07/12/2027** **APD: 12/11/2027** **ED: 05/11/2027**	**Insulating and Specialty Glass: Technology, Trends, and Varieties** Manufacturers' and processors' development departments, as well as the scientific and research communities, are constantly working on new developments and optimizing existing solutions: We'll show you the latest products to hit the market and what else is in the works.	**Category innovations:*** Point-fixing systems, fittings, partition walls, doors **Category practical tip:** Step-by-step instructions for a successful execution **Readers' preferred topic:** On request	

PD = Publication date APD = Advertising/printing documents deadline ED = Editorial deadline

The editorial department reserves the right to make changes regarding the topics.

***The category Innovations is not a thematic focal point. Only products can be presented here!**

Permanent editorial focus:

Personal details, news, current affairs, technical advice, glass, glass art, window construction, façade technology, metal construction, business, references, innovations, literature, energy-efficient construction, fittings, research and conservatories.

Service formats:

Cover story, practical tip, designing with glass, survey, GFF discusses, market report and favorite topic (our readers vote for their favorite topic each month by clicking on www.gff-magazin.de. There are three topics to choose from. The topics with the most votes are then discussed in detail in collaboration with renowned experts).

CAMPAIGN PLANNING

Lots of best practice examples and the current reach figures can be found in the **GFF** digital portfolio.

GFF digital portfolio.

Technical specs.

General terms and conditions.

DISPLAY ADVERTISING

XXL ADVERTISING SPACE

DYNAMIC SITEBAR **CPM 180.– €**

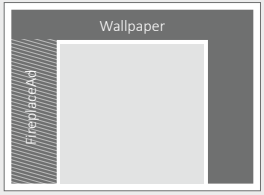

The Dynamic Sitebar takes the right-hand skyscraper position and always remains visible. When the user scrolls, the Dynamic Sitebar remains in place (sticky).

The advertising format adapts to the respective screen size and thus dynamically uses the maximum available space on the right-hand side of the website.
Delivery: Desktop

HOMEPAGE TAKEOVER **CPM 240.– €**

Getting more advertising space is impossible. Attention-grabbing combination of FireplaceAd and Billboard.
Delivery: Desktop

WALLPAPER **CPM 155.– €**

Combination of Superbanner and Skyscraper. The wallpaper frames the website at the top and right-hand side.
Delivery: Desktop

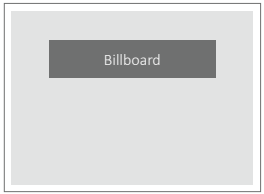

FIREPLACEAD **CPM 210.– €**

Combination of two Skyscrapers and the Superbanner. The FireplaceAd frames the website on three sides. When scrolling, the Skyscrapers on the left and right are sticky.
Delivery: Desktop

Strong performance and branding formats. Played out in the field of high-quality content.

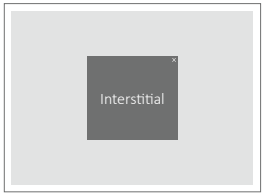

Superbanner (728 x 90 pixels) **CPM 95.– €**
Sticky Superbanner (728 x 90 pixels) **CPM 115.– €**
Attention-grabbing advertising format with full-surface presence, top or bottom. Use in the immediately visible area with great creative scope for design.
Delivery: Desktop, Tablet

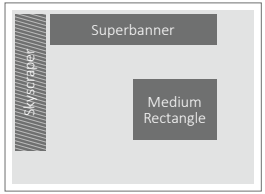

Billboard (940 x 250 pixels) **CPM 180.– €**
Large format, positioned between navigation and content with plenty of space for design and information. A prominent stage for your advertising message.
Delivery: Desktop

Skyscraper (120 x 600 pixels) **CPM 105.– €**
Wide Skyscraper (160 x 600 pixels) **CPM 105.– €**
Placed at the right or left side of the screen; remains in the user's field of view while scrolling.
Delivery: Desktop

Interstitial (300-550 x 250-400 pixels) **CPM 140.– €**
Fade-in takes place directly above the content when the website is called up.
Delivery: Desktop, Tablet

TandemAd **CPM 150.– €**
Simultaneous playout of two classic advertising formats within the same page impression.
Delivery: upon request

AdBundle **CPM 160.– €**
(Joint) delivery of three different classic advertising media.
Delivery: upon request

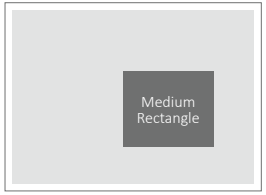

BanderoleAd (770 x 250 pixels) **CPM 145.– €**
The advertising material lies in the directly visible area like a strip across the website. Best suited for concise advertising messages.
Delivery: Desktop

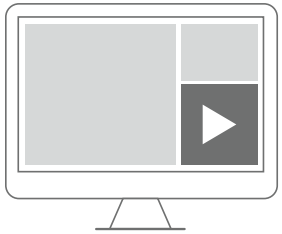

One format — all devices! Whether desktop, tablet or smartphone.

HalfpageAd (300 x 600 pixels) **CPM 130.– €**
The integration in the content area of the site ensures that the user's attention is drawn to this striking advertising format.

Medium Rectangle (300 x 250 pixels) **CPM 115.– €**
Prominent placement in the content of the website, centrally and in the user's field of vision.

VideoAd **from 1,050.– €**
We adapt and integrate your video to the look & feel of the website.

To make users aware of the VideoAD, we place a teaser box on the start page and the subpages of the website. For the teaser, you have 120 characters of text and an image available.

You choose how long you want to run the campaign.

GFF Branding Day.

Exclusive display of your advertising message. Daily and weekly booking possible – please contact us!

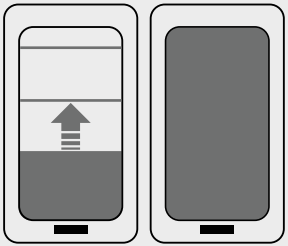

Choose your desired format for the exclusive addressing of our users in an exclusive period

GFF very targeted.

CPM markups:
€ 10.– for targeting | € 10.– for frequency capping

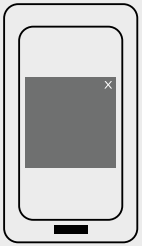

MOBILE ADVERTISING

MAXIMUM ATTENTION
EVEN ON THE SMALLEST SCREENS

MOBILE INTERSCROLLER (300 x 600 pixels) **CPM 180.– €**

- Particularly attention-grabbing advertising format.
- Advertising material lies behind the content and is displayed by scrolling through the view port, while being completely exposed.
- Does not only communicate an advertising message, but guarantees also a high brand awareness.
- Ensures full user attention for a few seconds.
- Delivery: Mobile

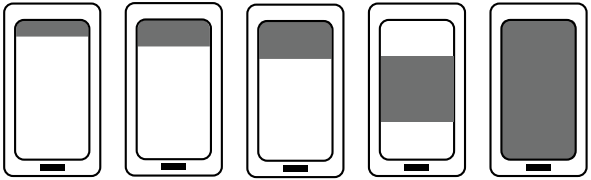

MOBILE INTERSTITIAL (300 x 250-300 pixels) **CPM 145.– €**

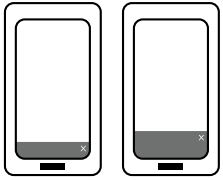

- When the website is called up, the ad fades in, directly over the content and is closed by the user.
- Delivery: Mobile

Target mobile users for your device optimized campaign.

Mobile MMA Banner		**CPM**
MMA 6:1:	300-320 x 50 pixels	**95.– €**
MMA 4:1:	300-320 x 75 pixels	**100.– €**
MMA 2:1:	300-320 x 150 pixels	**110.– €**
MMA 1:1:	300 x 250 pixels (Medium Rectangle)	**115.– €**
HalfpageAd:	300 x 600 pixels	**130.– €**

Mobile MMA Banner sticky		**CPM**
MMA 6:1 sticky:	300-320 x 50 pixels	**100.– €**
MMA 4:1 sticky:	300-320 x 75 pixels	**105.– €**

Know what matters.

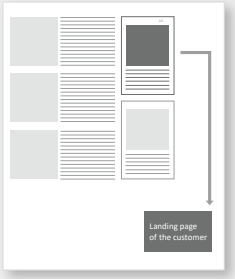

The monthly IVW MEW statement transparently documents our device access.

An average of 26.76 %* of page impressions for gff-magazin.de took place on mobile

* (IVW Online January to June 2026)

NEWSLETTER GFF REPORT AT A GLANCE

GFF REPORT

Newsletter vom 08.07.2026

Guten Tag Herr Pohl,

rund 20 Mio. Euro hat Aluplast in ein Hochregallager investiert, das vorige Woche offiziell in Betrieb genommen wurde. Mit dieser größten Einzelinvestition der Firmengeschichte stärkt das Unternehmen seinen Hauptstandort in Karlsruhe und sichert sich die Wettbewerbsfähigkeit in einem Markt, der immer mehr Flexibilität und Schnelligkeit von den Profilgebern verlangt. Mehr dazu hier im Newsletter. Außerdem finden Sie hier Impressionen von Schüco's Metallbau-Fachtagen in Wertingen bei Augsburg. Den ausführlichen Bericht lesen Sie in GFF 9/26.

Holger Dirks
Chefredakteur

PS: Leiten Sie doch gerne unseren Newsletter an interessierte Kolleginnen und Kollegen weiter. Diese können sich hier selbst kostenlos anmelden.

NACHRICHTEN

Investition am Standort Karlsruhe

Aluplast weiht Hochregallager ein

Mehr als 7.000 Stellplätze, rund 20 Millionen Euro Investitionsvolumen und ein klares Bekenntnis zum Standort: Aluplast hat in Karlsruhe ein neues Hochregallager eingeweiht. Was hinter der größten Einzelinvestition der Firmengeschichte steckt, lesen Sie hier.

Price per release:

- TSP* 480.– € (*Thousand subscribers prize)
- Example 1 | Example 2 | Example 3

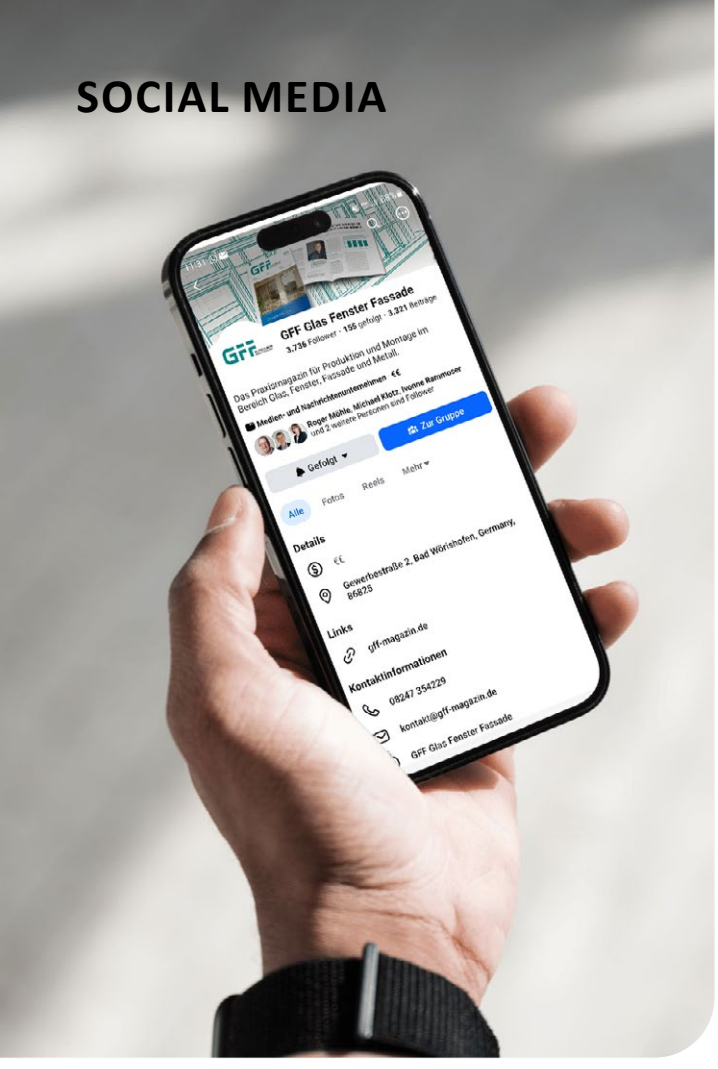

Performance miracle.

The most successful form of advertising in the field of Newsletter Advertising.

SOCIAL MEDIA.

SOCIAL MEDIA

THE FOLLOWING CHANNELS ARE AVAILABLE TO YOU FOR A SOCIAL MEDIA CAMPAIGN

FACEBOOK

3,736 Follower
(Status: August 2026)

Linkedin

3,876 Follower
(Status: August 2026)

WE FOCUS ON ORGANIC

Your posts are authentically integrated into our organic feed- in contrast to temporary adverts with purchased target groups. Organic posts make us dependent on the algorithm of the respective platform- which is why only one currency counts: good content.

You can choose from the following formats (minimum purchase of 3 posts):

- Facebook Post + Story: CPM: TKP 120.– €
- LinkedIn Post + Story: CPM: TKP 120.– €

No inspiring content idea?No problem!

On request, we will be happy to support you in creating your social media posts.

MOVING IMAGES.

VIDEO

REACH YOUR TARGET AUDIENCE WITH A POWERFUL VIDEO MESSAGE.

WHY VIDEO WITH GFF?

Extensive know-how

Benefit from the industry knowledge of our video team and the journalistic expertise of our editorial teams, who know your target groups inside out .
